

Bringing Life Home

Annual Report 2021

Message from our Founders

2021 was a year of resilience — both for the world and for the communities we serve. Though our activities were more limited, we were honored to support Meals of Happiness with a contribution toward feeding families affected by the ongoing impacts of the pandemic. We also continued our partnership with Tong Len, providing essential support to children in Dharamshala who rely on education, food, and healthcare assistance.

In times when it would have been easy to step back, your generosity allowed us to stay committed. Even small efforts can carry deep meaning — and in 2021, they certainly did.

Thank you for remaining part of our community of hope.

— Vasu Agrawal and Tenzin Sonam

01.

Meals of Happiness: A Lifeline for the Vulnerable During the Covid-19 Pandemic

During the Covid-19 pandemic, Meals of Happiness provided crucial support to vulnerable communities in India by distributing nourishing meals to those in need. A \$500 donation from Bringing Life Home in January 2021 helped deliver 2,900 meals during this critical time. Beyond crisis relief, Meals of Happiness remains committed to fighting hunger long-term by serving children from poor backgrounds and underprivileged workers, including cancer patients, offering not just food but dignity and hope to those they serve.

Tong Len School Sponsorships

In 2021, Bringing Life Home began sponsoring two children, Anisha and Rudra, at Tong Len School in Dharamsala, Himachal Pradesh. Their support covers the children's education, including books, uniforms, and meals. This effort aligns with Tong-Len's mission to provide free education and vocational training to children from underprivileged backgrounds, empowering them with life skills and opportunities for a better future.
