## Annual Report 2022

### Message from our Founders

In 2022, we remained steadfast in our mission to walk alongside children who need extra support, even when larger projects weren't possible.

This year, we continued providing ongoing assistance to Tong Len in Dharamshala — ensuring that children most at risk could continue receiving the basic essentials they deserve.

Every act of support matters. Every child matters. And because of you, we were able to stand by that belief once again in 2022.

Thank you for making it possible.

— Vasu Agrawal and Tenzin Sonam  
Co-Founders, *Bringing Life Home*

### Mission Statement

To improve the quality of life of children in orphanages in developing countries by providing living necessities while creating an atmosphere of love and hope to mold them into future leaders.

## Tong Len School Sponsorships

In 2022 Bringing Life Home continued the sponsorship of Anish and Rudra now in the next grade. It has been a joy to our team to witness the growth both kids have made in just 1 short year. Our Co-Founder Tenzin Sonam also had the privilege of visiting Tong Len in December of 2022.
