

# Bringing Life Home

## Annual Report 2020

### Message from our Founders

In a year of unexpected global challenges, our commitment to supporting vulnerable children remained strong.

In 2020, your support allowed us to fund critical resources for students at the Devi

Ahilyabai Education Foundation's Blind School in Uttar Pradesh, offering educational opportunities to young learners with extraordinary determination. We also provided a major donation to the Bharatiya Grameen Mahila Sangh Shelter in Bangalore, ensuring safe housing, care, and resources for girls and young women facing hardship.

Even amidst uncertainty, your generosity helped us continue to reach those who needed it most.

Thank you for standing by our mission — and by them.

— Vasu Agrawal and Tenzin Sonam  
Co-Founders, Bringing Life Home

### Mission Statement

To improve the quality of life of children in orphanages in developing countries by providing living necessities while creating an atmosphere of love and hope to mold them into future leaders.

# 2020 Projects

## Devi Ahilyabai Education Foundation's Blind School in Farukhabad, Uttar Pradesh

Devi Ahilyabai Education Foundation supports a Blind School that serves 25–30 visually impaired children, offering them not only education but also a nurturing, family-like environment led by Rampratap Singh and his devoted family. Their hands-on care — from daily meals to nightly security — creates a deeply compassionate space for the children. The school is undergoing a three-phase development plan: building a protective boundary wall, improving living spaces, and insulating classrooms for warmth in winter. With support from donors and visits from foundation leaders, the initiative continues to transform lives through love, safety, and education.

**Money Donated**    \$1,967  
**Kids Impacted**    28

## Bharatiya Grameen Mahila Sangh Shelter in Bangalore

The Bharatiya Grameen Mahila Sangh shelter in Bangalore supports 250 children, many facing malnutrition, by providing a safe and caring environment. Bringing Life Home has played a key role in supporting the shelter, especially during the Covid-19 pandemic, by donating essential cooking ingredients to ensure daily nutritious meals. Their ongoing quarterly donations in 2025 continue to make a vital impact, helping the children grow, learn, and thrive. This partnership highlights the power of sustained community support in creating a healthier, more hopeful future for vulnerable children.

**Money Donated**    \$10,000  
**Kids Impacted**    250
